

Stavanger Turnforening (Stavanger Gymnastics Association) is located in the city of Stavanger on the west coast of Norway. The city is Norway's fourth largest and has a broad international community with Oil-industry, university and NATO. Stavanger Turnforening is one of the city's largest sports clubs with 1500 members in 2019. The association was established 17 May 1861, as one of the city's first sports associations. The size of the association together with the extent of the various activities and the long traditions, allows the association to stand out as a significant institution in Stavanger.

Stavanger Turnforening (STF) has a wide offer of activities for recreational gymnastics and two competition branches, rhythmic gymnastics and artistic gymnastics (WAG and MAG). STF had a male gymnast competing in Rio 2016.

STF seeks 1-2 fulltime coaches (one of them will be head coach) for Elite Artistic Gymnastics Woman (WAG) starting November 1'st 2019 or by agreement.

The successful candidate should be enthusiastic and prepared to coach gymnasts at all ages and levels.
